Rules and Regulations for the 2018 State American Legion Family Bowling Tournament

Division One shall be the Legion division with the options, but must have at least one Legion member per team unless there are more teams than Legion members. **Division Two** shall be the Auxiliary division, consisting of 4 Auxiliary members.

Scratch will be 210. Handicap to be figured at 90% of the difference. There shall be no limit on handicap. The average to be used for the handicap in each event is the bowler's HIGHEST average in any USBC certified league in which he/she bowled 21 games or more during the previous season. If no average from previous season, then use this year's current average of 21 or more games as of February 1, 2018. If a bowler has no USBC certified league average, then use their American Legion bowling tournament average. If a bowler does not meet any of the above criteria, then the Secretary shall assign an average. USBC Rule 319a(2) is in effect. Any bowler whose current average as of February 1, 2018 for 21 games or more is 10 pins or more higher than the previous season's average, shall use his/her current average.

For complete rules on average requirements, see the back side of tournament entry form.

A bowler may participate in the Team Event more than once, only if bowling with three different bowlers.

The tournament is open to all members of the Minnesota American Legion Posts, Sons of The American Legion members who are 18 years of age or older, and American Legion Auxiliary members who are 18 years of age or older. All participants must have membership dues paid for the current year. Bowlers may enter both Singles and Doubles or can bowl in the Singles or Doubles event only, but must let the Secretary know.

(Optional to Auxiliary members will have the option to bowl on the Legion's team and Singles and Doubles in the Legion's bracket. Only two Auxiliary members per Legion team.

If you made a reservation at last year's tournament your **ENTRIES** and **ALL FEES** are to be post marked by **December 31, 2017**. Reservations for which all fees have not been received by the closing date are subject to cancellation and will be opened to other teams who request that time slot.
