Purpose and Program

Legion Boys State is a practical training program in local and state government in which selected boys participate in actual learning experiences. We attempt to (1) illustrate to the boys the principles of representative form of government, (2) arouse an enduring interest in governmental affairs.

Boys State is a functional practice of democratic activities. Its citizens will apply knowledge already acquired concerning political machinery of commonwealth. They will receive additional instruction from competent men in selected fields. Citizens choose their own officials in accordance with regular election procedures. They organize and operate their own city, county and state governments. Bills are introduced and debated in their legislature. Justice is administered by their own law enforcement agencies and courts. In Boys State, the young citizen has the opportunity to learn that his government is just what he makes it.

Assignment of boys to mythical "Nationalist" and Federalist" parties is for operational purposes, and to illustrate some of the responsibilities they will be called upon to assume when they become adults.

The Constitution and the Statutes of the State of Minnesota are the patterns from which the fundamental laws of Legion Boys State have been developed. Thus, Boys State should be thought of as an imaginary 51st state, constructed by its citizens to govern themselves.

Time and Place

Boys State will be held on Southwest Minnesota State University Campus June 13-19, 2010.

Boy Staters will report on campus starting at 1:00 P.M. on Sunday, June 13, and will start to organize soon after arrival. The first meal will be served Sunday evening.

The program will close after presentation of awards on Saturday, June 19 at approximately 9:30 A.M.

Sponsorship

EVERY BOY FOR WHOM APPLICATION IS MADE TO BOYS STATE MUST BE SPONSORED BY AN AMERICAN LEGION POST. A POST MAY SPONSOR AS MANY AS THEY DESIRE FROM ANY HIGH SCHOOL. FINANCIAL ASSISTANCE CAN BE ACCEPTED FROM OUTSIDE SOURCES.

QUALITY and QUANTITY are requested and stressed.

The boys sponsored must be selected in accordance with the rules prescribed herein.

Eligibility and Selection

Boys State is open to all boys regardless of race, color or national origin.

Only students who are finishing the junior year of high school, and who will be seniors in the following term of school, are eligible to participate in Boys State. Boys must be chosen from among students who are in the upper one-half of their class scholastically. The following qualifications must be considered in determining eligibility:

1. **A leader.**
2. **Able to get along with others.**
3. **Enthusiastic, with good personality and good character.**
4. **Honest.**
5. **Interested in a citizenship training program.**
6. **Have demonstrated good quality in the classroom and community.**

WE RECOMMEND THAT THE POST REQUEST THE ASSISTANCE OF THE SUPERINTENDENT OF SCHOOLS, THE HIGH SCHOOL PRINCIPAL, A STUDENT COUNSELOR OR THE FACULTY, OR A COMBINATION OF THESE FOUR. CONSULT COMMUNITY LEADERS AND THE CLERGY FOR ADDITIONAL RECOMMENDATIONS OF YOUR CANDIDATES. WE URGE THAT SCHOOLS SUBMIT THE NAMES OF QUALIFIED BOYS TO THE POST BOYS STATE CHAIRMAN or TO DEPARTMENT HEADQUARTERS, AND THAT THE POST OR DEPARTMENT HEADQUARTERS MAKE THE FINAL SELECTION OF THE BOYS.

We further recommend that the boys available and fulfilling the qualifications listed above should alone determine whether or not a boy is sent to Boys State, and it not be a matter of continuous Post participation in the program or that he be related to a member of the Post. It is recommended that alternates to the principal candidates be named at the time of selection to stand by in case the principals are unable to accept the appointment or attend Boys State.

Fees

Registration fee for sponsoring a boy is \$260.00. *****Gambling funds** may be used for registration fee***. Minnesota American Legion Boys State, LLC is a 501c(3) organization. If a Boys Stater is unable to attend, the sponsor should immediately notify Department Headquarters and designate who the alternate is.

There are no additional charges at Boys State, but the Student Union is available for usual items of confectionery and refreshments, so Boys Staters may bring a small amount of spending money with them at their own discretion. **Minnesota American Legion Boys State is not liable for any items lost or stolen, such as money, iPods, cell phones, electronics, etc.**

HEALTH and MEDICAL

A medical examination card, signed by the family physician is required of each boy. Also, a Family Health Insurance Information card is needed. Both cards, along with the registration card **MUST** be sent to our office in advance of Boys State. Duplicate cards are available if the originals are lost or destroyed. A copy of the student's current high school athletics form on file is acceptable instead of getting another physical.

While at Boys State, competent medical service is available for emergencies that may occur. Every precaution is taken to avoid accidents and prevent illnesses. All state health standards are met or exceeded. Parental permission is requested on the Registration Card for emergency medical treatment and must be signed.
