

BASEBALL KIT INFORMATION

February 2009

TO: Post Adjutants and Team Managers

FROM: Department Baseball Support Staff

SUBJ: Baseball Kit Order Form

Enclosed is the 2009 Baseball Kit Order Form for your 2009 Baseball teams. **We are sending these forms to both the Post Adjutant and the team representative who ordered the kit last year.** Please make sure that **only one person per team** completes the form as indicated and returns it to Department Headquarters with the **\$100.00** per kit fee.

THIS IS THE ONLY NOTICE THAT WILL BE SENT.

NO baseball kits can be sent until we have proof of your team being insured by S. A. Van Dyk Incorporated. All insurance must be through Van Dyk, and your Post should have received a mailing from S. A. Van Dyk Incorporated by the first week in February. If you need to contact them, their telephone number is: 1-800-323-7326.

PLEASE RETURN THE ORDER FORM so your Baseball Chairman can receive the kit. The kit includes the rule books and registration forms for the teams. Many of these materials can be downloaded at www.baseball.legion.org for easy electronic completion, **but ALL teams must order a baseball kit in order to be eligible to play.**

District Baseball programs are under the direction of the District Baseball Director, and as the District breaks down, under various Sub-Districts and League Directors. They stand ready to aid and assist you in the Baseball Program.
